

## New Club Application for Start-up Equipment.

The new club must be a full member of Croquet England (CqE) and have the endorsement of the Federation Development Officer (FDO). Only recently formed clubs will be considered. All applications are considered on their merits and awards are granted if funds are available for the current year.

**The maximum basic package comprises 4 mallets, 4 balls, 6 hoops, one peg and 4 clips.**

Please complete the form below with the help of the FDO before sending it to the CqE Operations Manager. The description of the actual equipment supplied will be completed by the Croquet England shop and priced for insurance purposes.

### Name of the New Club

.....

A member club can apply to the CqE for an equipment loan. A loan is made for up to 5 years, but if the club ceases to be a member of Croquet England, the equipment must be returned to the local Federation. After 5 years, the equipment will be deemed to belong to the club.

On behalf of ..... Croquet Club I agree to the above conditions.

Signed .....

Position in Club .....

Please state date on which the equipment is required.....

Delivery Address: .....

..... Postcode.....

I have considered the impact on existing clubs in the area of the proposed new club and consider this to be acceptable within the guidelines and approve the application.

FDO Signature.....

Membership confirmed by the CA Manager.....

Countersigned by the Chairman of the Development Committee.....
