

Guide to Five Hoop Croquet

Five Hoop Croquet is a quick and simple adaptation of the rules of Golf Croquet. The rules are as follows:

- Play as individuals (up to 4) or in teams of 2 (one ball each).
- Players take alternating turns. The blue ball starts, followed by red, black, then yellow. There are no additional turns.
- The first player or team to go through a hoop wins the hoop and receives 1 point! All players now proceed to the next hoop. No one else need go through the won hoop.
- Make sure not to go more than halfway to the next hoop before the current hoop is won or you will be offside and your ball will be sent to the penalty area.
- Once the fifth hoop has been won, the player or team with the most points wins the game! Please turn over for the direction of play.
